THE LANGUAGE TUTORING PROGRAMME

To allow each student to benefit fully from Mosaic’s bilingual programme, the school has set up a structure to accommodate students with little or no knowledge of French and/or English.

From the 3P class, the Language Tutoring Programme in French and/or in English is obligatory for each student who has not already completed 3 full years of bilingual French/English schooling.

The student is tested at the beginning of the school year by Mosaic to evaluate his/her level and the tutoring year appropriate to him.

Tutoring year according to when your child joined Mosaic:

Joined Mosaic in class:	Tutoring Year in class 3P:	Weekly schedule:	Fees: Δ
Nursery	No tutoring *	-	-
1P	Tutoring Year 3#	1 session [§] during school hours + homework 1 x per week	20% of tuition fees
2P**	Tutoring Year 2#	2 sessions [§] during school hours + homework 1 x per week	25% of tuition fees
3P and above	Tutoring Year 1#	3 sessions [§] during school hours + homework 1 x per week	30% of tuition fees

* Except in the event of learning difficulties

** In the event of a slower language acquisition, extra language support is available in 2P

Dependent on evaluation at the beginning of the year and, if necessary, during the year

§ Each group session lasts between 1 hour and 1 hour and a half.

Δ For students enrolled in tutoring in both languages, a discount will apply

How the tutoring works:

The students are placed in groups of maximum 5 students. They are withdrawn from their class for 1 to 3 sessions per week during school hours by a tutor in French or English, as appropriate. In addition, there is 1 session of tutoring homework per week from 4 pm to 5 pm.

We expect it to take up to three years for a child to acquire, develop and master the new language.
