THE LANGUAGE SUPPORT PROGRAMME FAST TRACK & PASSERELLE programmes

To allow each student to benefit fully from Mosaic's bilingual programme, the school has set up a structure to accommodate students with little or no knowledge of French and/or English.

As of the 1P class, the Language Support Programme in French **and** English is obligatory for any student speaking neither French nor English. He/she will be enrolled in the FAST TRACK programme.

As of the 3P class, the Language Support Programme in French **and/or** in English is obligatory for any student who has not already completed three full years of bilingual French/English schooling. He/she will be enrolled in the PASSERELLE Programme. The student is tested at the beginning of the school year by Mosaic to evaluate his/her level and the year of appropriate year of support.

The FAST TRACK programme:

Students are placed in small groups of maximum five students. They are withdrawn from their class for 2 to 4 sessions per week during school hours by a tutor in French or English, as appropriate.

We expect a child to have acquired, developed and mastered oral French and English by the end of the FAST TRACK programme. However, dependent on evaluation by the 2P class teachers, enrolment in the PASSERELLE programme may be necessary as of 3P.
